Called: The Making & Unmaking of a Nun, a memoir by Margaret Rogers Barrett, tells of her lively and free-spirited youth as part of a large family in a small town on a prairie in Minnesota; of her calling by God; and of her new calling to marriage and life as both mother and teacher. Along the way, we meet her remarkable family, both reveling and suffering with her as she experiences sometimes joyful, sometimes difficult times.

The Champion section for the I'm Positive course. As you read through this material, be aware of moments in your life when you arrive at a choice point between making and unmaking. These moments can occur suddenly without warning and be easily overlooked.

Introduction electronic cards in the I'm Positive course
The choice between making and unmaking As we grew up, we had a choice between two fundamental paths. One path would bring us closer to building things up, contributing to the lives of others, giving something back to life, and making the world a brighter, more "wholesome" place. This is the additive path of making.

Introduction electronic cards in the I'm Positive course
If we can refer to this as the intermittent making and unmaking of the endangered, it is by turning to the enunciations of Michel Foucault that we try to canvas a series of events that can be described as animal-criminal processes.

Making and Unmaking the Endangered in India (1880-Present ...
Israel was the great champion of this effort, focusing its diplomatic and settlement efforts to cement a claim to Jordanian, Syrian, and Egyptian territory. So too was the PLO, which for the first time in a generation, placed the issue of a sovereign Palestine on the international agenda.
