## 120 Hp Mercury

Well I have a 1999  
120hp tracker/force.  
other than some of the  
same issues any motor  
can have such as starter,  
carbs and choke. I have  
put very little in my old  
motor. Stilll pushes  
122#comp in all 4  
cylinders. The only  
thing that worries me is  
the fact it is not a good  
peeeeing motor. But it  
never runs hot.

## 120 Hp Mercury

I worked part-time at a FORCE outboard dealer in c.1985 when I was in college. The dealer sold them with his Maxim boat line (top-shelf Bayliners). My job was to set the boats up. We sold a lot of 17', 20' and 23' MAXIM boats which came with either 85 or 125 Force outboard motors or 3.0- or 5.0-liter MerCruiser
