specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index. This repair manual covers Chevrolet Camaro and Pontiac Firebird, all models, 1993 thru 2002.

Game Design Foundations, Second Edition covers how to design the game from the important opening sentence, the One Pager document, the Executive Summary and Game Proposal, the Character Document to the Game Design Document. The book describes game genres, where game ideas come from, game research, innovation in gaming, important gaming principles such as game mechanics, game balancing, AI, path finding and game tiers. The basics of programming, level designing, and film scriptwriting are explained by example. Each chapter has exercises to hone in on the newly learned designer skills that will display your work as a game designer and your knowledge in the game industry."

For Harley-Davidson aficionados, the very name Sportster conjures an image of a fire-breathing mechanical beast scorching the world's tarmac image the Sportster itself often does not live up to. Straight from the factory, in its standard form, the Sportster routinely proves an entry-level motorcycle providing a relatively tame ride. This book aims to change all that and to show every Sportster rider how to free the beast in his or her bike. With expert, detailed advice on the proper mechanical massaging and plenty of helpful diagrams and photos this updated, third edition of Buzz Buzzelli's best-selling handbook shows how the Sportster can be transformed into the superbike of old. Including a history of the Sportster from its birth in 1957 to the recent introduction of a new engine (only the third in its long life), this book has everything it takes to open up the gates of hell and give the Sportster its head.

Sportsman 600 (2003-2005); Sportsman 700 (2002-2006); Sportsman 700 EFI (2004-2007); Sportsman 700 EFI X2 (2008); Sportsman MV7 (2005-2006), Sportsman 800 EFI (2005-2010), Sportsman 800 EFI X2 (2007-2009). Sportsman 800 EFI Touring (2008-2009)

Modern Mandarin Chinese Grammar Workbook is a book of exercises and language tasks for all learners of Mandarin Chinese. Divided into two sections, the Workbook initially provides exercises based on essential grammatical structures, and moves on to practise everyday functions such as making introductions, apologizing and expressing needs. With a comprehensive answer key at the back to enable students to check on their progress, main features include: exercises graded according to level of difficulty cross-referencing to the related Modern Mandarin Chinese Grammar topical exercises that develop students' vocabulary base. Modern Mandarin Chinese Grammar Workbook is ideal for all learners of Mandarin Chinese, from beginner to intermediate and advanced students. It can be used both independently and alongside the Modern Mandarin Chinese Grammar.
