Aviation author and  
historian Jay Spenser worked  
closely with Sutter for 18  
months to write his  
autobiography, entitled 747:  
Creating the World's First  
Jumbo Jet and Other  
Adventures from a Life in  
Aviation (ISBN  
0-06-088241-7). It was  
published by Smithsonian  
Books/HarperCollins as a  
hardcover in 2006 and as a  
paperback in 2007. This book  
tells of Sutter's childhood  
and describes his life and  
40-year career at Boeing.
