time the definitive artist's edition of the greatest sci-fi horror ever produced.

In 1976, Twentieth Century Fox bought a screenplay by Dan O'Bannon entitled *Star Beast*. Three years later with Ridley Scott at the helm, *Alien* was unleashed on unsuspecting filmgoers. En route to back to Earth, the crew of the starship *Snark* intercepts an alien transmission. Their investigation leads them to a desolate planetoid, a crashed alien spacecraft, and a pyramidal structure of unknown origin. Then the terror begins . . . Writer Cristiano Seixas and artist Guilherme Balbi have attempted to stay true to the characters, settings, and creatures described in O'Bannon's original screenplay--without replicating the famous designs of Ron Cobb, Moebius, and H.R. Giger. A new experience, but still terrifying! Collects *Alien: The Original Screenplay* issues #1-#5.

A FULLY ILLUSTRATED, HUMOROUS GIFT BOOK FOR FANS OF THE ALIEN FRANCHISE Aboard the USCSS *Nostromo*, Jonesy leads a simple life enjoying The Company cat food and chasing space rodents. Until one day, his cryostasis catnap is rudely interrupted. The humans have a new pet and it's definitely not house-trained. In space, no one can hear you meow. This full-color, illustrated book offers a cat's eye view of all the action from the movie *Alien*. With new and original artwork by artist Rory Lucey, this is the perfect gift for all *Alien* fans (and cat lovers).

Encourages the reader to shake, tilt, and wiggle the book in an effort to launch the alien back into space, because aliens do not belong on Earth--or maybe they do.

This introduction provides a historical overview of the graphic novel, with a strong focus on its international significance.

An alien, government agents and ... pizza? Nate's on a mission to Earth from the planet Vega. His goal: eat pizza! Luckily, soon after crash-landing he meets Fazel, who helps him create a disguise, learn the ways of Earthlings and, most importantly, stuff himself with pizza! What a blast Earth is! There's only one problem. Two Men in Beige (government agents) have been trying to capture him — and they're starting to close in. Can Nate and Fazel repair Nate's spacecraft before the agents find him? And will Nate have had his fill of pizza by then? Kids will laugh so hard, they'll be primed for liftoff!

Beneath the ice of Jupiter's moon, life teems in lightless oceans. But more spectacular discoveries elsewhere in the cosmos have left Europa's research facilities underfunded and ignored, a lonely wayside with an orbital station and a decaying space elevator. When one of the elevators stops midway, the rescue team discovers a deadly cargo that threatens life on Europa and on Earth. * From superstar creator Liam Sharp (*Gears of War*)!
