Excerpt: I sat across the table silently, as Christoff slowly and deliberately curled his lips around the opening to his beer bottle. His adam's apple bobbed in his throat with every swallow. As he pulled the bottle away, it seemed as if everything was moving in slow motion when a few drops of lager inadvertently missed Christoff's mouth and landed on his bottom lip. I think I visibly quivered as I watched him roll his tongue across his full lips and wipe his mouth with the back of his hand. I love a man that drinks straight out of the bottle. I've always found it to be so sexy and masculine.My thoughts were interrupted as I felt the heat of Christoff's piercing sapphire eyes on my cleavage. I pried my attention away from his lips and tried to make eye contact when he discreetly averted his gaze. A rosy, red excitement painted my cheeks and spread across my chest. I was pleased, and embarrassed at the same time, that I caught Christoff Diemacht Hartmann, the man of every hard music fan's dreams, checking me out in my new black and nude dress with the sweetheart neckline...tags: erotic romance, erotica, romance, billionaire romance, billionaire erotica, celebrity romance, alpha male romance, alpha male erotic romance, rockstar romance, rock star romance, rock star erotic romance

Dreams Fulfilled - The Complete Romance Series This is a steamy, sweet, billionaire romance Box-Set packed full of gorgeous alpha males and plenty of steam to keep the reading pleasure going all night long. The Widow's First Kiss (Dreams Fulfilled Book One) When the prettiest young widow in the world comes walking into my life with her adorable daughter, I fall pretty damn fast. I've put my career first for most of my life, and now that I'm past forty, I'm starting to wonder if it's time to think about all the things I sacrificed. Like having a family. Having a sweet face to wake up to in the morning, and loving arms to fall into at night. Lorena just might be the right person to fix all of that for me. Winning her over is going to take some work; she has a baby daughter to protect, along with her own broken heart. But that's not the complication I'm worried about. My ex, expert gold digger Andrea Case, is inserting herself into my family's Christmas celebration, manipulating my mother into making sure she can stay. Is she going to ruin Christmas? Or can I find out a way to save it for all of us? Lucky's Naughty Angel (Dreams Fulfilled Book Two) Aaron "Lucky" Gates never really had much luck-in love or in life. Dragged into a biker gang by a combination of desperation and pressure from his reckless older brother, Daniel, Aaron took the fall for an assault Daniel committed and spent ten years behind bars. Now, he's a bouncer at Phoenicia's only nightclub, struggling to rebuild his life while his brother keeps trying to coax him back into the gang. The one bright spot in his life, besides his friends at the job and his rescue dog Moose, is the sweet, beautiful girl he volunteers alongside at the church. Two problems: she's only twenty-one, and she's Reverend Alderson's daughter. He's headed toward forty and has no business sniffing around a girl who's so pure she could probably draw a whole herd of unicorns. Or so he thinks. A Kiss of Winter (Dreams Fulfilled Book 3) David and I don't talk about our short-lived marriage. It gets in the way of our friendship and our partnership. We're supposed to be trying to explain the inexplicable-of the paranormal variety, not the romantic-and bickering about our ill-fated romance isn't the way to do it. We were so young back then, and though he was never able to satisfy me when we were both inexperienced and didn't have a clue, being cooped up with him in this romantic little town has me noticing how much David has changed-and has me wondering just how much he's truly learned in the years since we broke up. With mistletoe hanging everywhere in this town, there's no doubt that love is in the air. But can that love be ours, or did we already waste our one chance?

Best Laid Plans may have ended happily ever after, but that isn't always the final curtain on a love story. Jackson is pushing for marriage, while Jillian is pushing for time. And jealous partners from the past are pulling them into events neither has ever planned for.
