They include rights to decide freely and responsibly on all aspects of sexuality; being free from discrimination; to decide freely and responsibly the number and spacing of children; and to attain the highest standards of sexual and reproductive health.

Human development and human rights - GSDRC

We all have human rights whoever we are and whatever we have done. Human rights exist to make sure that we are treated properly and fairly, and are given the freedom to develop to our full potential. On top of the rights available to everyone, there are some that apply only to children. Children need special rights because they need extra protection that adults don't. The United Nations Convention on the Rights of the Child is an international document that sets out all of the rights that ...

What are children's rights? - lawstuff.org.uk

In contrast, the so-called human rights-based approach to development (HRBA) takes the view that the ultimate aim of development can be defined as the fulfilment of all human rights. Such an approach is based on the conviction that human rights and development are closely interrelated and mutually reinforcing and that neither human rights nor development are prerequisites of, or just ...

Human Rights and Development | Icelandic Human Rights Centre

Children's rights include the right to health, education, family life, play and recreation, an adequate standard of living and to be protected from abuse and harm. Children's rights cover their developmental and age-appropriate needs that change over time as a child grows up.

In 1959, the UN General Assembly adopted the Declaration of the Rights of the Child, which defines children's rights to protection, education, health care, shelter, and good nutrition.

Children | United Nations

The Convention sets out the rights of children, aged zero to 18 years, and the responsibilities of governments to ensure those rights. Child rights are based on what a child needs to survive, grow, participate and meet their potential. They apply equally to every child, regardless of ethnicity, gender or religion.

Child Rights | UNICEF New Zealand

A human rights-based approach to programming means for UNICEF that the ultimate aim of all UNICEF-supported activities is the realization of the rights of children and women, as laid down in the CRC and the CEDAW. Human rights and child rights principles guide the organization's work in all sectors - and at each stage of the process.
