This new edition of Doing and Writing Qualitative Research puts the richness of research accounts at its centre and pushes the boundaries of understanding naturalistic studies to address the personal and disciplinary challenge of fieldwork explanation. At all times Holliday is in search of meaning through intimate research worlds and invites the reader into live research encounters to critically assess reflexivity as experienced in the field and through writing.

Doing & Writing Qualitative Research | SAGE Publications Ltd

How do you plan, organize and structure qualitative research writing? What are the step-by-step principles in setting out written work on qualitative research? This thoughtful and helpful book offers students an unparalleled primer in writing qualitative research.

Doing and Writing Qualitative Research: Amazon.co.uk ...

Sensitive issues dealing with the appropriate use of identity in research settings are clearly discussed, while techniques for avoiding reductive judgements are presented and critically discussed. By making the workings of written study transparent, the book demonstrates how to manage subjectivity and achieve scientific rigour in the qualitative research process.

Adrian Holliday (2007). Doing and Writing Qualitative Research (Second Edition). London: Sage Publications, xiv+200 pages, ISBN 978 1 4129 1130 6 (paperback), \$43.95 Abstract: The book fruitfully combines discussions on qualitative research methods with the craft of academic writing. While detailing different stages involved in qualitative research, it accords appreciable attention to the fundamental epistemological premises of different qualitative research genres.
