Apply what you are learning in the text with this workbook featuring thirty-six exercises that provide opportunities to practice key grammar concepts outlined in the text, and will help you develop the skills you need to become a successful writer.

Offering solutions for today's cross-platform, multi-media writing environment, Kessler and McDonald's WHEN WORDS COLLIDE, 9e is praised by students and instructors alike for its straightforward presentation of grammar and writing guidelines. This versatile handbook is an excellent resource for beginning students as well as seasoned media writers. It delivers concise, clear explanations and examples, as well as quick and accurate answers to common grammar and usage questions. Its unique "from writer to writer" perspective guides readers step by step through the writing process. The Ninth Edition's emphasis on the importance of language skills helps students quickly learn to create effective prose. Its simplified rules appeal to readers from a variety of backgrounds, while engaging new boxed features reinforce key concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Written by the main text authors, includes 40 detailed exercises (and answers) to help students master newswriting grammar and usage.

A critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism. This edition separates Commercial Databases and Internet Resources.

Brief biographical information on members of the Speech Communication Association, Central States Speech Association, Eastern Communication Association, Southern Speech Communication Association, and Western Speech Communication Association. Also includes information about the organization; institutions offering graduate degrees in speech communication; lists of books, equipment, and supplies in speech; and advertisements.
