I have known about the Irish famine most of my life. I didn't know there was more than one famine - several in the 1700s and 1800s. I knew about the coffin ships during the 1847 to 1848 period of the "shovelling out the paupers" (Chapter 11) but I didn't appreciate the appalling conditions on the ships that increased the number of deaths during the voyage.

Flight from Famine: The Coming of the Irish to Canada by ...

Flight from Famine is the moving account of a Victorian-era tragedy that has echoes in our own time but seems hardly credible in the light of Ireland's modern prosperity. The famine survivors who helped build Canada in the years that followed Black '47 provide a testament to courage, resilience, and perseverance.
