Get Through MRCOG Part 1, Second Edition, provides a selection of questions covering the basic and applied sciences relevant to the clinical practice of obstetrics and gynaecology and mapped to the RCOG Knowledge Areas in the MCQ style.

Get Through MRCOG Part 2: SBAs provides 3 exams' worth of questions mapped to the RCOG syllabus in the newly introduced SBA style. With detailed explanations and relevant references to guidelines, this is the definitive resource for those taking the MRCOG Part 2 examination.

This book provides those studying for the MRCOG Part 2 examination with welcome practice in answering Extended Matching Questions (EMQs). Updated throughout to map onto the MRCOG syllabus from September 2016, the book is designed to test the candidate's theoretical and practical knowledge of obstetrics and gynaecology. An introductory section on exam techniques is followed by a collection of 41 EMQ themes, split into obstetrics and gynaecology. The questions are based on common clinical scenarios and cover a variety of topics. Answers are included after each topic, and these include explanatory material and useful references.

Get Through MRCOG Part 2: Short Answer Questions is an essential revision guide for candidates preparing for the MRCOG Part 2 exam. This comprehensive collection of practice Short Answer Questions (SAQs) is designed to help candidates test and assess their own knowledge, aiding thorough preparation for the exam. The book opens with an introduction to the exam and includes advice on how to prepare for it, information on what to expect, and guidance on how to write excellent answers. This is followed by two sections: the first provides a wide range of SAQs divided into obstetric and gynaecological topics, and the second presents six practice exams set out in the format of the actual exam. For each question, the authors highlight the key words in the question, followed by a brief essay plan and then give a worked example answer. The specimen answers indicate how many marks the candidate would obtain for each point made, and are supplemented with valuable extra information and further reading, to enhance understanding and aid further revision. with valuable extra information and further reading, to enhance understanding and aid further revision.

Modelled on the current MRCOG syllabus, Get Through MRCOG Part 1: MCQs and EMQs is designed to test candidates' knowledge of basic and applied sciences in obstetrics and gynaecology. 350 MCQs and 40 EMQs are presented, reflecting the level of difficulty and style of the actual examination questions. This comprehensive collection of practice questions offers a useful review of all elements of the syllabus, to help candidates test and assess their knowledge and aid thorough revision in preparation for the examination day. Written by a Specialist Registrar and a Consultant in Obstetrics and Gynaecology, and supplemented with useful explanatory material, Get Through MRCOG Part 1: MCQs and EMQs is the essential revision tool for all trainees preparing for this examination.

Get Through MRCOG Part 2: MCQs covers the breadth and depth of the MRCOG Part 2 examination syllabus and is an essential revision tool for candidates preparing for this examination. The comprehensive and wide collection of practice questions is designed to help the candidate test and assess their knowledge of the subject, aiding them in thorough preparation for the exam. The text contains 750 multiple choice stems, each with around four associated questions, providing the reader with a total of 3000 individual questions with which to test themselves. The material is divided up by subject area, allowing candidates to test their knowledge on a particular topic. The 13 'modules' are followed by two mock papers, each containing a selection of questions on different subject areas, which the reader can attempt under timed conditions. Answers are provided, with useful explanatory information for all questions to help the reader understand why their answer is right or wrong. The author, Paul Ayuk, was clinical lecturer in obstetrics and gynaecology at Oxford University for 6 years and has run an on-line MRCOG course for over 5 years, assisting over 8000 candidates worldwide.

Modelled on the current MRCOG syllabus, Get Through MRCOG Part 2: EMQs is designed to test candidates' theoretical and practical knowledge of obstetrics and gynaecology. The book opens with an introductory section explaining the format of the examination, providing advice on how to prepare for it and how EMQs should be approached in order to obtain the highest marks. 320 EMQs are presented in the form of eight practice papers, reflecting the level of difficulty and style of the actual examination, and each answer is supplemented with a detailed explanation to help candidates assess and improve their own level of knowledge. Providing an invaluable bank of revision questions, Get Through MRCOG Part 2: EMQs is the essential revision guide for all specialist trainees preparing for this examination. The book is comprehensive and authoritative: Justin Konje was closely involved in pioneering the introduction of EMQs into the MRCOG examination and runs a highly regarded MRCOG Part 2 course in the UK.
