Handbook of Psychotherapy Integration (Oxford Series in ...  
Integrative now constitutes the most frequent orientation of mental health professionals. This volume provides a comprehensive state-of-the-art description of psychotherapy integration by leading proponents. Replete with clinical vignettes, this unique handbook will prove invaluable to practitioners, students, and researchers alike. Less. Psychotherapists have come to realize that, given the complexity of human behavior, no single theory or treatment can ever suffice for all patients ...

Handbook of Psychotherapy Integration - Oxford Clinical ...  
Abstract. This online resource is a good overview of the growth of psychotherapy integration into a mature, empirically supported, and international movement. It provides a state-of-the-art, comprehensive description of psychotherapy and its clinical practices by leading proponents. It covers topics such as cognitive-analytic therapy, integrative psychotherapy with culturally diverse clients, cognitive-behavioural analysis system, and blending spirituality with psychotherapy.

Handbook of Psychotherapy Integration - Oxford Clinical ...  
Edited by John C. Norcross and Marvin R. Goldfried. Description. Hailed by one reviewer as "the bible of the integration movement," the inaugural edition of Handbook of Psychotherapy Integration was the first compilation of the early integrative approaches to therapy. Since its publication psychotherapy integration has grown into a mature, empirically supported, and international movement, and the current edition provides a comprehensive review of what has been done.

Handbook of Psychotherapy Integration - John C. Norcross ...  
Reflecting the considerable advances in the field since the previous edition's release in 2005, this third edition of Handbook of Psychotherapy Integration continues to be the state-of-the-art description of psychotherapy integration and its clinical practices by some of its most distinguished proponents. Six chapters new to this edition describe growing areas of psychotherapy research and practice: common factors therapy, principle-based integration, integrative psychotherapy with children ...
