In "Hidden America" the author spends time with some of the people who keep the cars running, the lights on, the goods moved and food on the table but who most of us never think about. She goes underground with coal miners, onto North Slope oil rigs with the men who drill for oil, rides the Midwest with a woman who drives an 18-wheeler.

Five hundred feet underground, Jeanne Marie Laskas asked a coal miner named Smitty, "Do you think it's weird that people know so little about you?" He replied, "I don't think people know too much about the way the whole damn country works." Hidden America intends to fix that. Like John McPhee and Susan Orlean, Laskas dives deep into her subjects and emerges with character-driven ...
