History Of The Peninsular War
The Peninsular War (1807-1814) was the military conflict fought by Spain and Portugal, assisted by the United Kingdom, against the invading and occupying forces of France for control of the Iberian Peninsula during the Napoleonic Wars.In Spain, it is considered to overlap with the Spanish War of Independence. The war began when the French and Spanish armies invaded and occupied Portugal in ...

Peninsular War - Wikipedia
Peninsular War, Spanish Guerra de la Independencia ("War of Independence"), (1808-14), that part of the Napoleonic Wars fought in the Iberian Peninsula, where the French were opposed by British, Spanish, and Portuguese forces. Napoleon's peninsula struggle contributed considerably to his eventual downfall; but until 1813 the conflict in Spain and Portugal, though costly, exercised only an indirect effect upon the progress of French affairs in central and eastern Europe.

History of the war in the Peninsula and the south of ...
Esdaile takes a long step back in perspective, seeing the Peninsular War of 1808-1814 as primarily between Spain and France, with Portugal as a secondary theater and the legendary Anglo-Portuguese Army under the future Duke of Wellington as supporting players until late in the conflict.

Peninsular War: A New History: Esdaile, Charles ...
There are historians who have sought for the origins of the Peninsular War far back in the eternal and inevitable conflict between democracy and privilege: there are others who-accepting the Emperor's own version of the facts-have represented it as a fortuitous development arising from his plan of forcing the Continental System upon every state in Europe. To us it seems that the moment beyond which we need not search backward was that in which Bonaparte formulated to himself the idea ...

A History of the Peninsular War Volume 5 by Charles Oman ...
FNH Audio presents a reading of Charles Oman's classic military history A History of the Peninsular War. In this first volume, a detailed examination is made of the first years of the war, 1807 to 1809. The campaign is examined from both sides using reference materials from British, French, Spanish, and Portuguese sources.

At the end of the 18th century Spain remained one of the world's most powerful empires. Portugal, too, was prosperous at the time. By 1808, everything had changed. Portugal was under occupation and ravaged by famine, disease, economic problems and political instability. Spain had imploded and worse was to come. For the next six years, the peninsula was the helpless victim of others, suffering perhaps over a million deaths while troops from all over Europe tore it to pieces. Charles Esdaile's brilliant new history of the conflict makes plain the scope of the tragedy and its far-reaching effects, especially the poisonous legacy that produced the Spanish civil war of 1936-9.

The first part of Sir Charles Oman's classic history provides the background to the war and its origins, and covers the early stages of the conflict. Introducing the subject and many of its main players, this volume recounts the French invasion of Portugal and the forcible deposition of the Spanish royal family, the beginning of Spanish popular resistance, the arrival of the British in the Iberian Peninsula, the first victories of Sir Arthur Wellesley (the future Duke of Wellington), Napoleon's personal participation in the Spanish campaign, the French surrender at Baylen, and Sir John Moore's terrible retreat, ending with his death in the hour of victory at the Battle of Corunna.

Volume III covers the period from September 1809 to December 1810, when the French were consolidating their hold on Spain, crushing resistance and attempting to drive the British out of Portugal. The forces of the Spanish Regency Council, with British and Portuguese aid, held out against the siege of Cadiz.

The Peninsular War (1807-1814) was a military conflict for control of the Iberian Peninsula during the Napoleonic War, where the French were opposed by British, Spanish, and Portuguese forces. The war began when the French and Spanish armies invaded and occupied Portugal in 1807 and lasted until the Napoleon's defeat in 1814.

To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Illustrated with 18 maps and illustrations The 1807-14 war in the Iberian Peninsula was one of the most significant and influential campaigns of the Napoleonic Wars. Arising from Napoleon's strategic need to impose his rule over Portugal and Spain, it evolved into a constant drain on his resources. Sir Charles Oman's seven-volume history of the campaign is an unrivalled and essential work. His extensive use and analysis of French, Spanish, Portuguese and British participants' accounts and archival material, together with his own inspection of the battlefields, provides a comprehensive and balanced account of this most important episode in Napoleonic military history. Between August 1813 and the end of hostilities in April 1814, Napoleon's forces were finally expelled from the Iberian Peninsula. Wellington's army invaded southern France, only halting its operations when news was received of Napoleon's abdication. The events covered in this volume include the British siege and capture of St Sebastian; the final campaigning in eastern Spain; Wellington's invasion of France; and the last actions of the war in the Battle of Toulouse and the French sortie from Bayonne. A chapter on the place of the Peninsular War in history concludes Oman's monumental work.
