How Effective Is Correctional Education, and Where Do We ...

This raises the question of how effective - and cost-effective - correctional education is - an even more salient question given the funding environment states face from the 2008 recession and its continuing aftermath. The RAND team conducted a systematic review of correctional education programs for incarcerated adults and juveniles.

[PDF] How Effective Is Correctional Education, and Where ...

Upgrading education would bring fiscal, social, and correctional benefits. Released offenders could be properly rehabilitated, with the knowledge and skills to find jobs, pay taxes, and enrich the economy. Around 40% of released offenders return to prison within three years, and up to 80% within 10 years.

(PDF) How Effective Is Correctional Education, and Where ...

This report assesses the effectiveness of correctional education programs for both incarcerated adults and juveniles and the cost-effectiveness of adult correctional education. It also provides results of a survey of U.S. state correctional education directors that give an up-to-date picture of what correctional education looks like today.

?How Effective Is Correctional Education, and Where Do We ...

The key finding from this comprehensive study of correctional education in the United States is that correctional education is effective in reducing recidivism for incarcerated adults and that there is reasonable evidence that it is also effective, especially vocational training, in improving individuals' likelihood of postrelease employment.

How Effective Is Correctional Education, and Where Do We ...

Confirming the results of previous meta-analyses—while using more (and more recent) studies and an even more rigorous approach to selecting and evaluating them than in the past—the study shows that correctional education for incarcerated adults reduces the risk of postrelease reincarceration (by 13 percentage points) and does so cost-effectively (a savings of five dollars on reincarceration costs for every dollar spent on correctional education).
