When I was a very young child (circa 1960), one of the first books I was given was a 1930 edition of Watty Piper 's The Little Engine That Could. I ' ve loved trains since I was a kid and I ' m convinced this little tome was an early contribution to what ' s become an obsession. It would be several years before I realized there is more than one version of the classic children ' s story.

### Watty Piper's 1930 " The Little Engine That Could "

Review the focus story, The Little Engine That Could. Show students pictures from the story that are out of order. Let students look closely at each picture and describe what is happening. Encourage students to work together to place the pictures in order. As students place the pictures in order, discuss the beginning, middle, and end events.
