The Essential Guide to the Cameraman's Craft Since its initial publication in 1973, Cinematography has become the guidebook for filmmakers. Based on their combined fifty years in the film and television industry, authors Kris Malkiewicz and M. David Mullen lay clear and concise groundwork for basic film techniques, focusing squarely on the cameraman's craft. Readers will then learn step-by-step how to master more advanced techniques in postproduction, digital editing, and overall film production. This completely revised third edition, with more than 200 new illustrations, will provide a detailed look at: How expert camera operation can produce consistent, high-quality results How to choose film stocks for the appearance and style of the finished film How to measure light in studio and location shooting for the desired appearance How to coordinate visual and audio elements to produce high-quality sound tracks Whether the final product is a major motion picture, an independent film, or simply a home video, Cinematography can help any filmmaker translate his or her vision into a quality film.

For the Marcelli sisters of California wine country, the season is ripe for romance! A party planner extraordinaire, Katie Marcelli loves her big, boisterous family -- even when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There's only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution: Zach, who hired Katie for a major fund-raiser, holds the fate of her business in his hands -- and how can she trust a man who is willing to break her sister's heart? It will take a passionate battle of wills to determine if wedding bells will ring for a Marcelli bride, and to unlock the deepest desires -- for family, love, and home -- inside a strong-willed man's heart. Meet the Marcelli family in a wonderful series that's warm, witty, and stunningly sensual. Look for The Sassy One, The Seductive One, and The Marcelli Bride, all available from Pocket Star Books!

UK companies are governed by legal and other regulatory requirements impacting elements of financial statements that are common to users of both International Financial Reporting Standards (IFRS) and UK GAAP. These are often referred to as the 'front half' of the financial statements. This publication contains the guidance applicable to all UK companies regardless of the GAAP under which their financial statements are prepared. Key updates from the previous edition (Manual of Accounting: Management Reports and Governance 2011) include updated chapters on business review and corporate governance, with many more illustrations and examples. Written by PwC's UK Assurance Risk and Quality team, the manual includes practical advice based on PwC's work advising clients, partners, and staff. The book will be of particular interest to finance directors, accountants, legal practitioners, company administrators, financial advisors, and auditors.

"An extraordinary book... deserves to be taken seriously." – International Herald Tribune. "A very thought provoking read! Whether or not she was really Anne Frank in another life, I do not doubt Karlén's sincerity." – Rabbi Yonassan Gershom, author of Beyond the Ashes and From Ashes to Healing. For as long as she can remember, Barbro Karlén has harboured terrible memories of a previous existence on earth as the Jewish girl Anne Frank, author of the famous Diary. Until recently, she had kept this knowledge private. Now, prompted by a series of events which culminated in a struggle for her survival, she is ready to tell her amazing story. And the Wolves Howled is the autobiography of Barbro Karlén, from her early fame as a bestselling child literary sensation in her native Sweden, to her years as a policewoman and a successful dressage rider. But this is no ordinary life history. As the victim of discrimination, personal vendettas, media assassination, libel and attempted murder, Karlén is forced to fight for her very being. In the dramatic conclusion to her living nightmare, she is shown the karmic background to these events. She glimpses fragments of her former life, and begins to understand how forces of destiny reach over from the past into the present. With this knowledge she is finally free to be herself... And the Wolves Howled is the story of one woman's superhuman struggle for truth in the face of discrimination and lies.
