Introduction to  
Shipping Container  
Homes: Shipping

container homes  
are houses that are  
built using shipping  
containers. The  
strength, durability,  
availability, and the  
cost effectiveness  
of containers as  
building material  
has made these

*Page 87/106*

# Online Library Shipping

types of homes popular in recent years. When you buy a container, it might appear as hollow boxes with no windows or openings. However, these boxes are highly customizable; they can be stacked and welded together to create beautiful yet

# Steps And

# Online Library Shipping

economical homes.  
The next section is  
about the pros and  
cons of living in a  
shipping container  
home.

This book will teach  
you all about the  
Tiny House  
movement, and  
how thousands of  
others are adopting  
this more

# Online Library Shipping

minimalistic and sustainable way of living. Tiny Houses are an excellent way to not only save money, but also to create a true architectural masterpiece, that may even (depending on your chosen design) be totally mobile! At the completion of

# Steps And

# Online Library Shipping

this book you will have a good understanding of Tiny Houses, and know what steps to take next to begin the building process of your very own. This includes knowledge of the entire building process, what considerations
