This publication is a valuable source of information for those who are new to pesticides or wish to have an understanding of the importance of pesticides in our country. Written in clear, non-technical language, it is designed for those who are directly responsible for pesticide application. Comprehensive in approach, this book covers all aspects of pesticides and their use: animal and plant pests; laws and liability; recordkeeping, labels and safety; environmental considerations; formulations and adjuvants; application equipment and its calibration; calculations and formulas; transportation, storage, decontamination, and disposal; and integrated pest management. A useful book and reference guide for commercial pesticide applicators; employees of city, county, state, and federal agencies; golf course superintendents; ground maintenance supervisors; tree nursery managers; and pesticide dealers, salespeople, and consultants.

everything they need for an unforgettable visit presented in a convenient and easy-to-use format. Includes quick information on planning a visit, navigating the location, experiencing Thai culture and exploring the beauty of Thailand. Thailand is a country on Southeast Asia ' s Indochina peninsula known for tropical beaches, opulent royal palaces, ancient ruins and ornate temples displaying figures of Buddha, a revered symbol. In Bangkok, the capital, an ultramodern cityscape rises next to quiet canal and riverside communities. Commercial hubs such as Chinatown consist of labyrinthine alleys crammed with shophouses, markets and diners.
