For power. For passion. For glory. The epic story of the Knights Templar. Born in 1150 to a noble Swedish family and coming of age at a monastery under the tutelage of a Cistercian monk and a former Knight Templar, young Arn Magnusson is sent to fulfill his destiny beyond the cloister walls. But the world awaiting him is a place at odds with his monastic ways. And when the murder of a king engulfs Western G Ö taland into a whirlwind of intrigue and ruthless power plays, headstrong and naive Arn is forced to leave the woman he loves behind and take up arms to battle infidels in the Holy Land. The first book in the international bestselling Crusades Trilogy, this thrilling epic of betrayal, faith, blood, and love sets "a Shakespearian quest for power" (Corriere della Sera, Italy) against the backdrop of the Holy Wars, witnessed through a vibrant, unorthodox lens.

" Destined to become a classic, The Road to Jerusalem is a brilliant, dramatic recreation of the medieval world. " —Sharon Kay Penman, New York Times bestselling author of Devil ’ s Brood
Already an international sensation, The Road to Jerusalem by Jan Guillou is the epic story of the Knights Templar. A major bestseller in Europe—with more than two million copies sold in Sweden alone—and the basis for the most lavish and expensive Swedish film ever made, it is a novel Diana Gabaldon calls, " beautifully constructed...skillfully written and translated. " Historical fiction lovers, particularly fans of the sweeping, bestselling adventure novels of Bernard Cornwell, will be captivated by this magnificent tale of romance, faith, and battle set against the backdrop of the Crusades.

The second volume of the Swedish crusades trilogy, this novel is an atmospheric and colourful journey into the heart of the Middle East, weaving romance and brutal medieval history into a compelling tale.

Born in 1150 to an aristocratic Swedish family, handsome Arn Magnusson is educated at a Cistercian monastery. As well as training to be a monk, he is to be a warrior, and becomes a master archer and swordsman under the tutelage of the giant Brother Guilbert, a former knight. But Arn is innocent in the ways of the world, and when two beautiful sisters cross his path, despite falling desperately in love with one of them, Cecilia, he is seduced by the other. Such a crime is punishable by both civil and clerical authorities, and, while Cecilia is banished to spend twenty years as a nun, Arn is sentenced to serve the same period as a Knight Templar in the Holy Land. As an occupation officer in Palestine, he discovers that the infidel Saracens don't appear to be brutish and uncivilized as they are portrayed in Christian propaganda. On the contrary, in love and war he learns from the example of his noble adversary Saladin that there's another side to the teachings of the Cistercians. ɹ

The epic story of one man ’ s fight for his love, his God and his Country

Templar Knight Arn Magnusson forges a friendship with his enemy, Saladin, and becomes a free man after the Battle of Hattin, but he must face a long a bloody road home if he is ever going to be reunited with his betrothed.

" Dan Jones is an entertainer, but also a bona fide historian. Seldom does one find serious scholarship so easy to read. " — The Times, Book of the Year
A New York Times bestseller, this major new history of the knights Templar is " a fresh, muscular and compelling history of the ultimate military-religious crusading order, combining sensible scholarship with narrative swagger" — Simon Sebag Montefiore, author of Jerusalem
A faltering war in the middle east. A band of elite warriors determined to fight to the death to protect Christianity ’ s holiest sites. A global financial network unaccountable to any government. A sinister plot founded on a web of lies. Jerusalem 1119. A small group of knights seeking a purpose in the violent aftermath of the First Crusade decides to set up a new order. These are the first Knights Templar, a band of elite warriors prepared to give their lives to protect Christian pilgrims to the Holy Land. Over the next two hundred years, the Templars would become the most powerful religious order of the medieval world. Their legend has inspired fervent speculation ever since. In this groundbreaking narrative history, Dan Jones tells the true story of the Templars for the first time in a generation, drawing on extensive original sources to build a gripping account of these Christian holy warriors whose heroism and alleged depravity have been shrouded in myth. The Templars were protected by the pope and sworn to strict vows of celibacy. They fought the forces of Islam in hand-to-hand combat on the sun-baked hills where Jesus lived and died. Finding their nemesis in Saladin, who vowed to drive all Christians from the lands of Islam. Experts at channeling money across borders, they established the medieval world ’ s largest and most innovative banking network and waged private wars against anyone who threatened their interests. Then, as they faced setbacks at the hands of the ruthless Mamluk sultan Baybars and were forced to retreat to their stronghold in Cyprus, a vindictive and cash-trapped King of France set his sights on their fortune. His administrators quietly mounted a damning case against the Templars, built on deliberate lies and false testimony. On Friday October 13, 1307, hundreds of brothers were arrested, imprisoned and tortured, and the order was disbanded amid lurid accusations of sexual misconduct and heresy. They were tried by the Pope in secret proceedings and their last master was brutally tortured and burned at the stake. But were they heretics or victims of a ruthlessly repressive state? Dan Jones goes back to the sources tobring their dramatic tale, so relevant to our own times, to life in a book that is at once authoritative and compulsively readable.

In twelfth-century Jerusalem, orphaned sixteen-year-old Pagan is assigned to work for Lord Roland, a Templar knight, as Saladin's armies close in on the Holy City.

A breathtaking and sweeping epic of a family at its breaking point, Devil ’ s Brood shows how Henry II and Eleanor of Aquitaine—two monumental figures once bound by all-consuming love—became the bitterest of adversaries... A.D. 1172. Henry II ’ s three eldest sons conspire against him and align themselves with his greatest enemy, King Louis of France, but it ’ s Eleanor of Aquitaine ’ s involvement in the plot to overthrow her husband that proves to be the harshest betrayal. As a royal family collapses and a marriage ends in all but name, the clash between these two strong-willed and passionate souls will have far-reaching and devastating consequences throughout Christendom.

In the present book, the history of the Knights Templar and subjects related to knighthood in general are analyzed from the perspective of several authors. The purpose of the book is to celebrate the nine-hundredth anniversary of the founding of a unique organization, the Poor Knights of Christ in the Temple of Jerusalem, which has created something permanent in spite of the stony road of the poor brethren and their modern-day equivalents. The book was prepared for the Sovereign Military Order of the Temple of Jerusalem - OSMTH. This book is the first to study the roots of the 19th century Neo-Templars scientifically.
