a reclosable case, keeping everything handy at home or on the go! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to

Online Library

Thomas

to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history.

Thomas & Friends now make up a big extended family of

Online Library

Thomas

engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately,

about friendship,
have delighted
generations of train-
loving boys and
girls for more than
70 years and will
continue to do so
for generations to
come.

As Thomas travels
around the Island
of Sodor, he learns
the concept of

opposites, from
near and far to big
and small.
